**Kuala Lumpur Convention Centre,
Malaysia**

APAC ENERGY CONVERSATIONS KEY THEME:

EMPOWERING ENERGY TRANSITION AND TECHNOLOGY

ENERtec ASIA 2024 is a 3-day Conference and Exhibition that will feature 3 comprehensive segments namely TENAGA (Renewable Energy & Cleantech), REVAC (Energy Efficiency & Decarbonisation) and an exciting NEW segment-BATTERY & EV TECH (Energy Storage & EV Technology and Solutions) in the Asia Pacific region. Our EIC Conference is a 2-day programme aim to foster progressive actions for decarbonizing energy and advancing energy transition practices within the industry at both national and regional levels. This conference brings government officials and industry experts together addressing strategic initiatives for national energy security and decarbonisation, low carbon challenges and best practises, and emphasizing the energy transition opportunities in the region.

CONFERENCE HIGHLIGHTS

**SOUTHEAST ASIA'S
PREMIER ENERGY EXPO**

This segment focuses on intelligent solutions, renewable and clean energy, critical and backup power, transmission and distribution, and more.

**SOUTHEAST ASIA'S PREMIER
REFRIGERATION, VENTILATION
AND AIR-CONDITIONING EXPO**

This segment target on heating, ventilation, air-conditioning and refrigeration (HVACR), district cooling and etc.

BATTERY & EV TECH

**ENERGY STORAGE & EV TECHNOLOGY
AND SOLUTIONS**

This segment will showcase technologies related to Critical & Backup Power, Energy Storage, Battery Management Systems, Thermal Management, Testing Services, Maintenance & Operations, Charging Infrastructure and Cabling & Connectors.

Day 1

26 JUNE

Opening Ceremony

9:00 AM - 10:00 AM

Officiated by:

- YB Datuk Dr. Hazland Abang Hipni, Deputy Minister for Energy and Environmental Sustainability Sarawak, **Ministry of Energy and Environmental Sustainability Sarawak (MEESty)**
